SUMMARY

I am interested in computer skills for many years like PHP, Mysql, Photoshop, Hardware etc and I decided to be a professional Full stack developer a year ago. Before it, I am a manager at public institution and IT branch manager. I have been learning HTML 5 / CSS 3, Javascript, Python, Golang, Git & Github, SQL and I will learn React, Django etc. I have research, creativity, complex thinking capabilities. Curious to learn various technologies, tools and libraries.
